

# CAREERS DAY IN STATISTICS

Saturday, March 1, 2008

Sponsored by  
Southern California Chapter of the American Statistical Association (SCASA),  
University of California at Riverside: The Statistical Consulting Collaboratory  
Amgen, Salford Systems and the City of Hope

## Come learn about the many opportunities for those with a background in statistics!

This career fair provides students of any major a unique opportunity to learn about career options in statistics. You will have the opportunity to chat with statisticians from local universities, government, health care, marketing, and pharmaceutical companies from throughout Southern California. Following the lunchtime speaker, there will be small breakout sessions in which professionals from different industries will tell you how they spend their work days, the academic preparation and work experience needed, and the current and future opportunities in their fields. A tour of the City of Hope will also be available at 1:30.

10:00 am – 11:45 am	Career Fair
11:45 am – 1:30 pm	Lunch and Speaker: Mary Ellen Bock, President of ASA, of the American Statistical Association will speak. Awards ceremony for high school poster competition (for details visit: postercomp.sc-asa.org).
